

Carteret Public Schools declares June 15, 2021 PRIDE DAY

Here, at Carteret Public Schools, we believe ALL Ramblers will Rise. We believe our schools should be safe spaces where we respect, embrace and celebrate the personal diversity of our members. In accordance with our mission of equity and acceptance, we proudly encourage a culture of inclusivity where EVERY student, staff and community member feels loved and supported. Regardless of your race, color, creed, gender, identity and expression, you are always welcome at Carteret Public Schools.
